The insurance covers a member at an event Forces sponsored or not (blackpowder related, F&I, Rev, 1812, since several events cover multiple time periods like Feast), Forces rules enforced or not (waivers are available, if necessary), ie. Fort Ti, Fort Niagra, Massac, Quiatenon, etc.

The events have the right to use their own safety rules however our members are required to follow ours (unless the event's safety rules improve upon ours, stricter safety requirements, age limits, etc).

These are some of the basics of the Insurance as well as when and where they apply. If you have any other questions please do not hesitate to contact the Lieutenant Governor.
